PURPOSE OF BUYING			
REALTORS® are not buying; they only have one purpose; to SELL your home for the highest possible price. In addition, the buyers a REALTOR® brings are not investors looking to make a profit on you.	To flip it.	To flip it.	To flip it.
PRICING			
REALTORS® recommend the highest price so you can make the most money. Then, they create demand and multiple offers so you sell to the highest bidder.	They tell you what your house is worth.	They tell you what your house is worth.	They tell you what your house is worth.
AVERAGE TIME ON MARKET			
30-90 days. The number of days is directly related to the listing price you set. The higher the price, the longer it takes. YOU control time on the market, not a company buying your house.	Less than 30 days.	Less than 30 days.	Less than 30 days .
