

VOICEMAIL DIALOGUE - “I HAVE A BUYER”

“Hi! This is {Name} from {Company}. I’m sorry I missed you! I wanted to reach out to you because I have a buyer who has been searching very seriously for a home in your area. As you might be aware, the number of houses for sale in our market is very low, so I was wondering if you, or someone you know, has thought about selling.

If so, please give me a call at {Cell Number}!

I’m also happy to offer you personally a Free Neighborhood Market Report, which shows you what nearby houses are selling for, plus what your home is currently worth. The reason we offer this is that your home is your most important asset and it's always a good idea to have an annual checkup on its value. If you’d like me to do this for you, please don’t hesitate to ask, I don’t mind at all! I look forward to hearing from you! Again, my number is {Cell Number}.”
